To come with strategies which are new and effective is a big deal in itself and requires a calm and focussed mind. In this competition, the students were given different topics and their innovative idea to overcome the same is analysed. Vyshanavi of 4<sup>th</sup> Pharm.D won first prize.

### **Sports**

The game of entertainment witnessed a huge number of competitors and they had literal fun dragging not to ignore the team spirit and comradery. The event was conducted in the VIPS playground.

## REPORT

**NAME OF THE PROGRAM : Ganesh Chaturthi Celebrations**

**DATE OF THE EVENT : 31.08.2019**

**CHIEF GUEST : Dr. T.V.Narayana**

The festive season has begun and it's time to welcome Lord Ganesha with all the festive fervour. From the cheers of Ganapati Bappa Morya to decorated pandals to lit up places of worship to preparation of modak in every household, it's that time of year when devotees leave no stone unturned to welcome Lord Ganesha and seek his blessings.

The following competitions were held on the occasion of **Ganesh Chaturthi Celebrations**

### **Sac Running**

The Running event was conducted in the playground. Running as a good exercise when conducted as a sport brings out the latent ability of winning spirit among the participants.

### **Eco friendly Idol making**

The students of VIPS celebrated Ganesh Chaturthi with great pomp and gaiety. "Festivals build group cohesiveness. Festivals inform, educate and bring people together, break the monotony of routine and give us a chance to re-energise our body, mind and spirit, It has been observed that there is a rise in water, air and noise pollution during the celebration of festivals like Durga Puja and Ganesh Chaturthi. An increase in pollution level is alarming and demands corrective action. The Navodaya Vidyalaya, Mudipu, paved the way for an eco-friendly way to celebrate Ganesh Chaturthi. The festivities commencing from the 'Ganapati Sthapana To Visarjan' was a thought-provoking one like banning the use of Plaster of Paris for the idol and immersion in lakes and ponds", said principal.

## **Kabaddi**

Kabaddi for both boys & girls was conducted in college ground with the below rules and regulations.

Each team shall consist of no more than 12 players with only 7 taking to the field at any one time. The duration of the match is two halves of 20 minutes with a half time break of 5 minutes. To win a point when raiding, the raider must take a breath and run into the opposition's half and tag one or more members of the opposing team and then return to their own half of the pitch before inhaling again. To prove that another breath hasn't been taken, the rider must continue to repeatedly yell the word 'Kabaddi'. Failure to do this, even for just a moment means that the rider must return to their own side of the court without points and the opposite team is awarded a point for a successful defense play.

The team being raided is defending, and the players must prevent the raiders from tagging them and returning back over the halfway line. Whilst in defence, a team may score a point by successfully preventing the raider returning to their own half after tagging them. Raiders may only be grabbed by their limbs or torso, not by their hair, clothes or anywhere else, and defenders are not permitted to cross the centre line.

Each team will take turns in raiding and defending. Following halftime, the two teams switch sides of the court and the team who defended first in the first half begin the second half by raiding.

The game continues in this way until the time is up, the team with the most points at the end of the match is declared the winner.

## **Cricket**

In cricket, there was participation of two teams and 22 players

Ruling of the umpire was final Every six balls made an over. Duration of the game was fixed

When a batsman hit the ball, and it straightaway hits the boundary, then the player got four runs. However, if the ball goes beyond the boundary, then the player made six runs.

Field placement was in the hands of captain

The captain of the teams were explained about the above rules and scores and also to the team members.

## REPORT

**NAME OF THE PROGRAM : National Pharmacy Week**

**DATE OF THE EVENT : 18<sup>th</sup> – 25<sup>th</sup> Nov 2018**

**CHIEF GUEST : Dr. G.Sumalatha**

Vikas Institute of Pharmaceutical Sciences celebrated National pharmacy week with great zeal and enthusiasm. The major focus of the celebrations was to create awareness amongst the public, other health care providers and authorities about NPW theme. The theme for this year was "Pharmacists for healthy India". As a part of week long celebrations various activities such as pharma quiz, Thinking out of box and poster presentation events were conducted along with other activities like health camp and rally.

### **QUIZ COMPETITION:**

An inter college quiz competition was held in the Dhanvantri auditorium. A total of 6 groups were selected for the quiz. There were three rounds in total. All the rounds were related to pharmacy subjects. Malathy latha and group won the quiz competition.

### **THINKING OUTSIDE THE BOX COMPETITION**

Thinking outside the box simply means that you're willing to consider different solutions and methods for reaching your desired outcome. Creativity is seeing what everyone else has seen, and thinking what no one else has thought. To come with strategies which are new and effective is a big deal in itself and requires a calm and focussed mind. In this competition, the students were given different topics and their innovative idea to overcome the same is analysed. G.V.N.Sravya Sudha of 3<sup>rd</sup> Pharm.D won the first prize in the competition.

### **POSTER PRESENTATION COMPETITION:**

A poster presentation competition was held at Dhanvantri auditorium. More than 25 participants have participated. Posters with respect to different topics from different departments were displayed. Dr.S.Muralidhar and Mr.Ch.Phani Kumar were the judges for the competition.

## REPORT

**DATE OF THE EVENT : 19<sup>th</sup> – 25<sup>th</sup> Nov 2017**

**CHIEF GUEST : Dr. G.Sumalatha**

Vikas Institute of Pharmaceutical Sciences celebrated National pharmacy week with great zeal and enthusiasm. The major focus of the celebrations was to create awareness amongst the public, other health care providers and authorities about NPW theme. The theme for this year was "Know your Medicines: Ask your Pharmacist". As a part of week long celebrations various activities such as pharma quiz, Thinking out of box and poster presentation events were conducted along with other activities like health camp and rally.

### **QUIZ COMPETITION:**

An inter college quiz competition was held in the Dhanvantri auditorium. A total of 6 groups were selected for the quiz. There were three rounds in total. All the rounds were related to pharmacy subjects..

### **THINKING OUTSIDE THE BOX COMPETITION**

Thinking outside the box simply means that you're willing to consider different solutions and methods for reaching your desired outcome. Creativity is seeing what everyone else has seen, and thinking what no one else has thought. To come with strategies which are new and effective is a big deal in itself and requires a calm and focussed mind. In this competition, the students were given different topics and their innovative idea to overcome the same is analysed.

### **POSTER PRESENTATION COMPETITION:**

A poster presentation competition was held at Dhanvantri auditorium. More than 25 participants have participated. Posters with respect to different topics from different departments were displayed. Dr.S.Muralidhar and Mr.Ch.Phani Kumar were the judges for the competition.

Elocution refers to one's capacity of communicating with others, with the use of exact speech and gestures. The topic for the elocution varied. Students have to pick up one topic on the stage. Every participant was given precisely 1 minute to prepare the speech on selected topic. It was indeed astounding to see how beautifully students had put their thoughts, insights, humour and delivered the speech of consciousness which was fluent, erudite and articulate while being unscripted. The parameter for the judgement was content, fluency, confidence and presentation. All the participants displayed oratory skill with zeal and enthusiasm. The competition was culminated with a few words of encouragement by judges and principal.

## REPORT

**NAME OF THE PROGRAM: Annual day**

**DATE OF THE EVENT: 16.04.2018 & 17.04.2018**

**CHIEF GUEST: Dr. T.V.Narayana**

The Annual day was conducted with a great zeal and enthusiasm. Institution chairman emphasised the importance of Annual day to august gathering of the students. In this regard Different competitions were conducted for the students. Sports is a way to instil the qualities of discipline and sincerity amongst young minds. The cultural events build molar character and ethnic values among the students. They are needed in our life because these events takes us away from the time being to a happy land where we are free from the worries and anxieties in life.

The celebration started at sharp 9.30am at the Dhanavanthari Auditorium by the second B.pharm and Pharm.D students with the warm welcome to the Chief Guest **Dr. T.V.Narayana, Dr.G.Sumalatha** and other guests. All the teaching staff, non-teaching staff also were present at the function. This was followed by lamp lightening by the chief guest and by our beloved principal. The Chief Guest addressed the gathering on the importance of integrity and moral values.

Event started with solo singing performances by some of the best singers among seniors. After this the annual started introducing themselves one by one. All of them were impressive in their own way.

At the end of the programme prizes were given to winners and runners of all the programme. Finally, the vote of thanks was presented by Divya of I B.Pharm. The celebrations ended with great joy and happiness.

The following competitions were held on the occasion of **Annual day** among B.Pharmacy, Pharm.D and M.Pharm students.

## Skit

Skits presented on the occasion reflected funny moments in college life. The drama, the plot and action generated a good emotional contact between the performances and audience. The event was organized in Danvanthari Auditorium.

## Sports

The game of entertainment witnessed a huge number of competitors and they had literal fun dragging not to ignore the team spirit and comradery. The event was conducted in the VIPS playground.

## Kabaddi

Kabaddi for both boys & girls was conducted in college ground with the below rules and regulations.

Each team shall consist of no more than 12 players with only 7 taking to the field at any one time. The duration of the match is two halves of 20 minutes with a half time break of 5 minutes. To win a point when raiding, the raider must take a breath and run into the opposition's half and tag one or more members of the opposing team and then return to their own half of the pitch before inhaling again. To prove that another breath hasn't been taken, the rider must continue to repeatedly yell the word 'Kabaddi'. Failure to do this, even for just a moment means that the rider must return to their own side of the court without points and the opposite team is awarded a point for a successful defense play.

The team being raided is defending, and the players must prevent the raiders from tagging them and returning back over the halfway line. Whilst in defence, a team may score a point by successfully preventing the raider returning to their own half after tagging them. Raiders may only be grabbed by their limbs or torso, not by their hair, clothes or anywhere else, and defenders are not permitted to cross the centre line.

Each team will take turns in raiding and defending. Following halftime, the two teams switch sides of the court and the team who defended first in the first half begin the second half by raiding.

The game continues in this way until the time is up, the team with the most points at the end of the match is declared the winner.

## Cricket

In cricket, there was participation of two teams and 22 players

Ruling of the umpire was final Every six balls made an over. Duration of the game was fixed

When a batsman hit the ball, and it straightaway hits the boundary, then the player got four runs. However, if the ball goes beyond the boundary, then the player made six runs.

Field placement was in the hands of captain

The captain of the teams were explained about the above rules and scores and also to the team members.

## Kho-kho

Match consists of two innings with each inning consisting of chasing and running turns of 9 minutes each. One team sits on their knees in the middle of the court, 8 in a row, with adjacent members facing opposite directions. The runners play in the field, three at a time and the team that takes the shortest time to touch all the opponents in the field, wins. There is a pole at each end of the field and the runner is allowed to go between two sitting players, but the chaser is not allowed to turn back while running or go between the players i.e. the chaser must run in the same direction unless he chooses to touch either end pole and run in the opposite direction. He may cross over to the other side when he is reversing directions by going around the pole.

1. The runner or the chaser is decided by toss.
2. A match consists of two innings of chasing and defending turns, which is each of 9 minutes.
3. The captain of chasing side may end the turn before allotted time.
4. The side that scores more wins a match.
5. When a defender is out, he should enter the sitting box from the lobby.
6. Incomplete match for unavoidable reasons should be played in the same session with the same players and officials. The score of the completed turn should be counted. For incomplete turn, the match will start afresh. The entire match should be replayed from the beginning if the incomplete match is not played in the same session.
7. The chaser can pass-on their turn to any other sitting player by tapping them from the back and saying the term 'kho'.

## Chess & Musical chairs

Chess and musical chair were conducted according to the rules and regulations of the games. Students were enthusiastically participated in the games

## **Kabaddi**

Kabaddi for both boys & girls was conducted in college ground with the below rules and regulations.

Each team shall consist of no more than 12 players with only 7 taking to the field at any one time. The duration of the match is two halves of 20 minutes with a half time break of 5 minutes. To win a point when raiding, the raider must take a breath and run into the opposition's half and tag one or more members of the opposing team and then return to their own half of the pitch before inhaling again. To prove that another breath hasn't been taken, the rider must continue to repeatedly yell the word 'Kabaddi'. Failure to do this, even for just a moment means that the rider must return to their own side of the court without points and the opposite team is awarded a point for a successful defense play.

The team being raided is defending, and the players must prevent the raiders from tagging them and returning back over the halfway line. Whilst in defence, a team may score a point by successfully preventing the raider returning to their own half after tagging them. Raiders may only be grabbed by their limbs or torso, not by their hair, clothes or anywhere else, and defenders are not permitted to cross the centre line.

Each team will take turns in raiding and defending. Following halftime, the two teams switch sides of the court and the team who defended first in the first half begin the second half by raiding.

The game continues in this way until the time is up, the team with the most points at the end of the match is declared the winner.

## **Cricket**

In cricket, there was participation of two teams and 22 players

Ruling of the umpire was final Every six balls made an over. Duration of the game was fixed

When a batsman hit the ball, and it straightaway hits the boundary, then the player got four runs. However, if the ball goes beyond the boundary, then the player made six runs.

Field placement was in the hands of captain

The captain of the teams were explained about the above rules and scores and also to the team members.

## **Chess & Musical chairs**

Chess and musical chair were conducted according to the rules and regulations of the games. Students were enthusiastically participated in the games.

The game of entertainment witnessed a huge number of competitors and they had literal fun dragging not to ignore the team spirit and comradery. The event was conducted in the VIPS playground.

## Kabaddi

Kabaddi for both boys & girls was conducted in college ground with the below rules and regulations.

Each team shall consist of no more than 12 players with only 7 taking to the field at any one time. The duration of the match is two halves of 20 minutes with a half time break of 5 minutes. To win a point when raiding, the raider must take a breath and run into the opposition's half and tag one or more members of the opposing team and then return to their own half of the pitch before inhaling again. To prove that another breath hasn't been taken, the rider must continue to repeatedly yell the word 'Kabaddi'. Failure to do this, even for just a moment means that the rider must return to their own side of the court without points and the opposite team is awarded a point for a successful defense play.

The team being raided is defending, and the players must prevent the raiders from tagging them and returning back over the halfway line. Whilst in defence, a team may score a point by successfully preventing the raider returning to their own half after tagging them. Raiders may only be grabbed by their limbs or torso, not by their hair, clothes or anywhere else, and defenders are not permitted to cross the centre line.

Each team will take turns in raiding and defending. Following halftime, the two teams switch sides of the court and the team who defended first in the first half begin the second half by raiding.

The game continues in this way until the time is up, the team with the most points at the end of the match is declared the winner.
