Student Admission and Support

Salient Features of Admission

[Access Admission](#)

Enquiry Generation
Generate form for collecting enquiries related to admission. Admission forms are fully customizable. You can add your own required fields.

Manage Enquiries
Set custom status for the admission form enquiries. Assign the approvers to the respective status. Grant access to a specific user for modifying the status approvers.

Register as a Student
Once you confirm any enquiry, you can register any enquiry as a student within few clicks.

Academic Year-wise Intake
Here, we have provided an option to maintain the intake quantity as per the academic year of the Institute for the respective department.

Group Management
Create groups for the selected students as per semesters/year of the institute. Assign groups to the parent group for managing year-wise data.
