

ACTION TAKEN REPORT FOR THE ACADEMIC YEAR 2019-2020

STUDENT FEEDBACK ON CURRICULUM

SUMMARY

This organization is affiliated to Andhra university, Visakhapatnam and the college academic curriculum is designed by the Board of Studies (BoS) in the University. Board of Studies designs curriculum by taking suggestions and remarks from the affiliated colleges through conducting meetings with the Principals (of the affiliated colleges) before preparing the Blueprint of curriculum.

However, institution obtains feedback on the curriculum design and development from various stakeholders. The feedback is collected and analyzed at College academic meetings in the institution. Based on feedback requirement Institution's plan to do as follows;

- To conduct Bridge course / Foundation course for the students who are from different educational background.
- Exposures to develop entrepreneurial skills which will help them identify their potential.
- Training for how to effectively prepare for personal interview and group discussions during recruitment.

Suggestions and remarks about curriculum are conveyed by Principal to the University through amending meetings in the University and it is made perfect to suit the students instead of mere gathering the feedback so that it can enhance the ability of the students to think innovatively.

Subject: Pharm D Internship under Pharm D regulations 2008 during Covid-19 in nearby hospitals

Due to Covid-19 pandemic and after first lockdown as per the feedback of the students they requested to give permission for doing internship in the nearby hospitals. After the meeting of academic council of the college they have forwarded and instructed the principal to look after the necessary things to make sure the students will not suffer in the pandemic.

VIPS is requesting Andhra University and PCI to consider the above cited subject and do the needful

Thanking you,
