Report on Student Annual Code of Conduct Programme 2018-2019

Vikas Institute of Pharmaceutical Sciences (VIPS) organized Awareness Programme on “Sexual Harassment Awareness” by Professor and Vice-Principal Dr. G. Sumalatha on 26.07.2018 at 10:00 am.

The resource person has welcomed gathering with a warm welcomed note and addressed the gathering on harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. She stressed on the recent issues and highlighted that they are no definite rules about whose actions can be classified as sexual harassment. Although it is often characterized by one individual in any situation.

She also emphasized on reporting issues to the Staff or to the concerned committee to register the grievance, the issues will be resolved in a short span. She also focused on preventing sexual assault is just a matter of standing up at the right time. If you spot suspicious behavior in public or among your friends, it's better to confront the individual before the situation escalates into sexual violence. This could mean alerting someone if you believe that they are hurting others or makes abusive comments, tell them to stop.

Sexual Harassment Awareness
