

STAKEHOLDERS FEEDBACK ANALYSIS REPORT
FOR THE ACADEMIC YEAR 2020-2021
(Employer's)

OBJECTIVE OF FEED BACK:

The institution aims to offer the best possible environment and learning experience to encourage students to perform to their full potential for academic achievement.

Stakeholders i.e., students, teachers, employers play an important role in the evaluation, development and enhancement of quality of this learning process.

Hence, the institution collects feedback from all the stakeholders i.e., students, teachers, employers and alumni every academic year on curriculum/syllabi to evaluate its service policies can be revised and make changes as per stakeholders' requirements.

EMPLOYER'S FEEDBACK:

Our employers are our major stakeholders, feedback of whom gives us input regarding enhancing the employability of our students.

Their feedback is valuable for us as it provides the basis for further enrichment in curriculum aspects and overall performance of students.
